Dear Barry,

LETTER OF SUPPORT/PROJECT CONTRIBUTION

Thank you for your email dated 4th December 2014. It is Midway Community Cares (Midway) understanding that the Friends of Samphire Cove intend to apply for a grant to enhance access to the reserves first bird hide with a focus on wheel chair accessibility and that this would include the reserve entrance being concreted and for the 145 metres x 1.8 metres of limestone path to be upgraded.

Midway fully supports this project as it will enhance its own Community Inclusion initiatives and provide better access for people with disability.

Midway would like provide a \$500.00 contribution to assist with the project.

This contribution will be made available once you can confirm that the balance of the funding for the project has been secured from other sources and the work has been contracted out. Midway looks forward to being part of this great initiative.

Yours sincerely
